● federal government – ● regions – ● municipalities

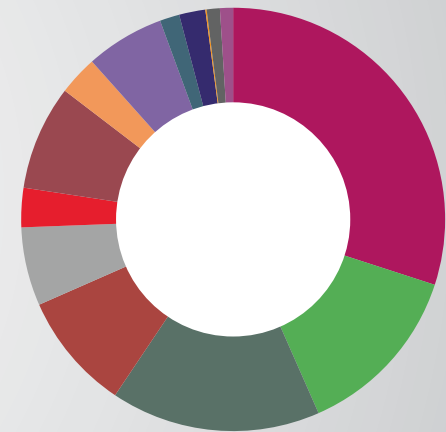

Federal Budget Structure in the RF

How budget funds are spent now, for the past five years on the average

27,5%	How budget funds should be spent	30%
19%	Army and weapons	13,4%
15,6%	State investment	16%
12,6%	Police and intelligence services	9%
7,1%	State apparatus	6%
4,8%	Subsideis to the reigons	3%*
3%	Healthcare	8%
3,9%	Servicing of the debts	3%
3,9%	Education	6%
0,7%	Housing and utilities sector	1,5%
0,6%	Culture	2%
0,5%	Mass media	0,1%
0,4%	Environment	1%
0,4%	Sport (children's sports inclusive)	1%

How budget funds should be spent

* The bulk of the funds should come to the regions from their own revenues through redistribution of tax revenues between the federal centre, the regions and the municipalities.
